

The Story of the Heavenly Snowflake

The Story of the Heavenly Snowflake

Catholic Charities of Northwest Florida is proud to present: **"Heavenly Snowflake"**, an ornament designed especially for Catholic Charities of NW Florida by world renown Christopher Radko.

Professor Kenneth G. Libbrecht of Caltech has spent his life photographing snowflakes. It is a fact that no two snowflakes are alike. One snowflake formed an ice cross.

A picture of the snowflake cross was sent to Christopher Radko, a well known designer of Christmas ornaments. He followed the etchings of the ice crystal to develop the Heavenly Snowflake ornament. All proceeds from the sale of this ornament will be used by Catholic Charities of Northwest Florida to benefit the needs of the vulnerable in our community.

We believe God sent the Heavenly Snowflake to earth to as an inspiration to us to provide for the needs of the infirmed, the poor and the abandoned. This is not the first time that God has provided by sending a gift from heaven. He sent His people hoarfrost to eat in the desert. This snowflake fell, at this point in history, when the greatest number of people are suffering since the Great Depression. The story of the Heavenly Snowflake is a Christmas miracle.

The Heavenly Snowflake ornament sells for \$50. It may be purchased outside the ballroom door at our Boutique, P.S. Gifts or at www.starfishgala.com or by contacting Evelyn at Catholic Charities at 244-2825.
